Congratulations on your admission to Chicago State University. In the spirit of striving toward academic excellence, the University has initiated a University Examination Program that will assist you in your transition to the University.

May I point out that the University Examination Program does not influence your acceptance to Chicago State since only students accepted to the University have the privilege of participating in the University Examination Program. The Program is designed to serve you in the following ways: (1) it assists you and your advisor in planning your class schedule; (2) it assists the University in planning for and meeting your individual needs; (3) it assists the faculty in providing the necessary instructions to insure that you will successfully complete the English and Mathematics Examinations, which are university graduation requirements; and (4) it serves as the first step in the procedure for students who wish to declare a major in the College of Education or the College of Nursing.

The date for the University Examination Program is Saturday, NOVEMBER 5, 1977. On that day, you are required to present this letter and some other form of positive identification to gain admission to the examination room. You should plan on checking in for the University Examination Program at 8:30 a.m. in the Douglas Library (Building E), Room E102.

The University Examination Program covers three areas: English, Mathematics, and Reading Comprehension. The program will begin promptly at 9:00 a.m. and end about 1:30 p.m. No one will be admitted to the examination room after 9:00 a.m.

The extent of your English background and the major that you have selected on your admission application will determine the examination number and section that will best serve your individual needs. In light of the above mentioned criteria, the checked (X) boxes below indicate the examination number and section for which you have qualified.

University Examination Number 1. 2. 3.
Section Number a. e. n.

As an entering student you are required to participate in the Examination Program. Failure to participate in all three areas of the program will delay your academic advisement and registration. If you have any questions concerning the University Examination Program, please contact Dr. Ping, Office of Examinations, telephone number 995-2021.

Once again, may I extend my congratulations on your admission to Chicago State University and wish you success in your academic endeavors.

Sincerely yours,
Walter J. Heingel

Dear Mr. Tinubu:

I am pleased to inform you that you have been accepted as a Transfer student at Chicago State University for the Fall Trimester, 1977.

Registration for classes will be held September 6 through September 9, 1977. Classes for the Fall Trimester will officially begin on Monday, September 12, 1977. This letter will serve as your authorization to register. It must be presented at the time you are scheduled to register so that you will receive your permit to register.

Enclosed is a copy of your credit evaluation prepared by the Admissions Office. Your credit evaluation reflects the total number of semester hours accepted, based upon the major that you have indicated on your Admissions application. If your credit evaluation is not complete, you should request that the institution you last attended forward a final official transcript to the Admissions Office, F200. When the official transcript has arrived at Chicago State University, you may then make an appointment with an advisor in the Registrar's Office, F128, sometime after classes officially begin.

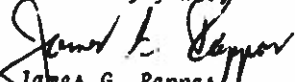

Prior to registration it is necessary for you to contact the academic advisor of the department in which you are seeking admission and make an appointment for course advisement. A list of the departmental academic advisors is enclosed for your convenience.

In order for you to have more information concerning the registration process, a University Schedule of Classes will be mailed to you. To facilitate your first registration at the University review the registration information carefully. Please refer to the registration schedule that appears on the reverse side of this letter for the time and date of your registration.

A medical report form is enclosed with this acceptance letter. The medical report should be completed by your physician and returned to the University's Health Center, F131, as soon as possible.

May I extend my congratulations on your admission to Chicago State University and wish you well in your academic program. Please return the enclosed post card indicating your acceptance of admission to the University.

Sincerely yours,

James G. Pappas
Director of Admissions

On 5-23 you took a Placement or Qualifying Examination in one or more of the following areas: English, Reading, or Mathematics. The following check () mark(s) indicate(s) the examination results and the appropriate steps you should take. Please take this letter with you when you register next term.

--- ENGLISH Your score on the English Examination (0 hr, 1-4 hrs, 5 or more hrs) indicate that:

- You should enroll in English 127 Category I.
- You should enroll in English 127 Category II.
- You should enroll in English 127 Category III.
- You should enroll in English 128.
- You have ~~not~~ passed the English Qualifying Exam and the credits that you have previously earned in composition will not be recorded on your transcript until you have passed the examination. You should enroll in English 222.
- You have passed the English Qualifying Exam and the credits you have previously earned will be recorded on your transcript.

A passing score on the English Qualifying Examination has been required: a) prior to student teaching for students admitted to the University as of September 1968. b) prior to admission into the College of Education for students admitted to the University as of September 1971, and c) prior to admission into any major or professional program for students admitted to the University as of September 1976.

--- READING Your score on the Reading Qualifying Examination is 46-P

- Based on your performance on the test you are required to take Reading 101: College Reading Techniques. A passing score on the Reading Examination is a graduation requirement for students admitted to the University as of January 1977.
- You have passed the Reading Qualifying Examination. You are not required to take College Reading Techniques 101.

--- MATHEMATICS Your scores on the Mathematics Placement/Qualifying Examination are:

- Arithmetic 24-P Algebra 12-P
- Based on your performance on the Arithmetic portion of the Examination you are required to register for Mathematics 101.
- Based on your performance on the algebra portion of the Examination you are required to register for Math 104.
- See enclosed table to determine a recommended or mandatory mathematics course based upon your test scores and your major.

As of September 1976, Mathematics 101 and 104 are prerequisites to each regular 100 level mathematics or computer science course. A passing score on the arithmetic section of the mathematics placement Examination or successful completion of mathematics 101 is a graduation requirement for students admitted to the University as of September 1976.

--- ACADEMIC SKILLS COUNSELING

- Based upon your examination performance you are advised to make an immediate appointment with Ms. Soundrea Hickman in Room E-210 in the Douglas Library. Call 982-2242 for an appointment.
